

Employer Testimonial

When I found my immediate team was going to be faced with potential redundancy, I was grateful for the free and friendly support JHP Employability were able to offer my staff.

They were able to provide the following:-

- Skills for Life
- CV writing
- Interview Skills/Preparation
- Successful letter writing
- NVQs
- Personal action plans with tutor

The above is only a very small part of their package and what they have to offer.

Certainly without JHP Employability's support, my staff wouldn't have felt confident to tackle the current job market! and I'd recommend them to anyone.

Thanks JHP Employability!
